

REMINDER:

If your child is one of our patients

and you are concerned of COVID-19 exposure, call our office before bringing your child into any of our locations.
DO NOT BRING THE PATIENT IN WITHOUT CALLING FIRST.

If your child is NOT one of our patients,

please call your child's pediatrician or local health care department.

Symptoms are usually mild cold symptoms and MAY Include:

Fever, Cough, Shortness of Breath

Fortunately, children do not seem to get as ill as adults.

Treatment:

While no medications are currently available for this viral infection: rest, fluids and fever reducers may be used.

We do not have any testing at our facilities.

PLEASE STAY HOME AS MUCH AS POSSIBLE TO PREVENT SPREAD.

BEGINNING MARCH 19th our office hours will change.

New hours will be M-F 8AM to 5PM at all locations and 8AM to 11AM on the weekend at our Blue Parkway location.
