

The providers at Lee's Summit Physicians Group Internal Medicine (LSPG) are excited to announce we are joining Encompass Medical Group beginning July 1, 2022. We are happy to be able to continue caring for our current patients at our new practice locations.

In person appointments at Encompass will be available starting July 6, 2022; however, you can contact Encompass after May 1, 2022 to schedule your appointment at the new location.

If you would like to continue care with Dr. Robb, Dr. Barnard, Dr. Lewandowski, or Dr. Geidl, please submit a Medical Release Authorization Form and have your records transferred from LSPG to Encompass. Once records have been transferred to Encompass, we will be able to continue to care for our patients even if you have not been seen at our new offices.

Our current location will be closed as of June 30, 2022.
